*Routinely, officers will stop and engage with the community for a friendly conversation.*

#### SIGNIFICANT INCIDENTS

**February 7, 2020** - While on his routine patrol, Sergeant Ramirez and officer Sweeny noticed a transient complaining of moderate pain at 4th and Broadway at 0300 hours. Upon further evaluating the individual, Sergeant Ramirez dispatched LAFD for assistance. LAFD arrived within minutes and assessed the individual. Although LAFD did not transport the individual, they did check his vitals and ran preliminary tests to ensure he was in good health. LAFD cleared the scene moments after while officer Sweeny provided two water bottles for the transient.

**February 10, 2020** - At around 0150 hours, Sergeant Ramirez and officer Sweeney were conducting their routine patrol at 9th and Hill street when they came across a suspicious individual. Upon further examining the individual's actions, it appeared as if the man was wielding a sword and then threw it into a trash can. Officer Sweeney contacted LAPD for assistance. When LAPD arrived on scene, they searched the trashcan and found a Katana Sword inside. Sergeant Ramirez then pinpointed the individual who was wielding the sword a couple of feet down the block. LAPD made contact with the individual and took him into custody while booking the sword as evidence.

**February 18, 2020** - At about 2100 hours, Sergeant Ramos along with officer Marquez received a citizen app notification regarding possible gunfire at 501 S spring street. While taking extra precaution, all units responded to the call from a safe distance. LAPD was already on scene responding to the shots fired call. After evaluating the scene, LAPD notified HCBID officers that the call was a false alarm. Officers were then cleared from the scene shortly after and resumed patrol.

**February 21, 2020** - At approximately 0330 hours Sergeant Perchlak and officer Marquez were flagged down by the DCBID regarding a vandalism act that occurred on 5th and Hill street. The suspect damaged one of the DCBID patrol vehicles and fled east bound into the Historic District. Sergeant Perchlak assisted DCBID by placing a service call to LAPD. LAPD officers arrived on scene and placed the suspect into custody. A report was taken for felony vandalism and given to both HCBID and DCBID officers.

**February 24, 2020** - At approximately 2100 hours, Officer Castaneda and Officer Ajaa noticed crime scene tape at the corner of 5th and Main street. When officers made contact with LAPD, they stated they were conducting a field investigation and tasked officers with providing crowd control. Officer Castaneda and officer Ajaa remained on scene and redirected pedestrian traffic until LAPD completed their investigation.

**February 27, 2020** - While on patrol at approximately 0000 hours, Sergeant Ramirez, officer Solorio, and officer Sweeney observed two individuals causing a disturbance in the middle of the street at 5th and Spring. Officers provided verbal commands to the individuals in which they failed to comply. The individuals then directed their attention to HCBID officers and challenged them to fight. HCBID officers notified LAPD right away in which they responded code 3. LAPD took one individual into custody for refusing to get out of the street. The other individual was cooperative and relocated outside of the district.

#### ACCOMPLISHMENTS

**February 05, 2020** - Sergeant Ramos and officer Ajaa were flagged down while patrolling the 500th block of Broadway regarding a suspicious vehicle at around 1530 hours. It was then discovered by Sergeant Ramos that the vehicle had been parked in the same loading zone for the past 2 days. Officer Ajaa noticed an individual approaching the Vehicle shortly after. When asked, the Individual confirmed that it was his personal vehicle. Sergeant Ramos then placed a service call to LAPD for assistance. When LAPD arrived, they ran the individuals name along with the vehicle license plate. Both findings came back as a missing person/vehicle report. LAPD took the individual into custody and transported him to the nearest facility.
