SIGNIFICANT INCIDENTS

June 2, 2019 - At approximately 0110 hours, Sergeant Ramirez noticed two parties arguing very loudly in Frank Court Alley. Upon arrival, Sergeant Ramirez noticed that there was a man and a woman, possibly a couple, who had hit each other. Ramirez notified LAPD immediately who had arrived within a couple of minutes. LAPD deescalated the situation and transported the male individual due to his intoxicated state. Ramirez's quick judgement was enough to help defuse the couple's altercation.

June 3, 2019 - At about 1515 hours, Sergeant Ramos and Officer Bell received a service call about a man shoplifting at 449 south Broadway. Upon arrival, Ramos observed loss prevention subduing the suspect to the ground. Acting quickly, Sergeant Ramos and Officer Bell formed a barricade between the situation and angry pedestrians. LAPD was notified immediately. Upon LAPD arrival, they quickly took charge of the situation and transported the suspect on a shoplifting charge. Sergeant Ramos and Officer Bell made sure that no other parties got involved during the detainment of the suspect.

June 12, 2019 - At 0830 hours, Captain Pacheco and Officer Sanchez were conducting a wellness check on an unresponsive individual located on the corner of 449 south Broadway. While attempting to make contact with the individual, the subject jumped up and took a combative stance with officers. Captain Pacheco and officer Sanchez took several steps back once the subject began swinging his fists towards their direction. Captain Pacheco and officer Sanchez then proceeded to detain the subject on assault charges. LAPD arrived within a couple of minutes and took custody of the hostile individual. Upon further review it was then determined that the combative suspect was doped up on drugs.

June 15, 2019 - At approximately 0650 hours, Sergeant Guzman and officer Sanchez received a service call regarding an elderly male who was randomly assaulted by a transient at 603 south Spring street. Our officers matched the description of the individual and located him entering the midnight mission outside of our district. LAPD was notified but were unable to catch the suspect. After a flyer was put out, LAPD was able to catch the suspect a couple of days after. Our PSO's lead was essential in removing this dangerous criminal from the streets.

June 21, 2019 - At approximately 1200 hours, officer Sanchez witnessed an individual swinging electric scooters erratically in and out of traffic. Officer Sanchez immediately notified LAPD and began monitoring the suspect's activity from a safe distance. After LAPD arrived on scene, they then determined that the suspect was mentally ill. PD transported the individual on a 5150 hold and cleared Sanchez from the scene. Sanchez's actions were enough to keep out a dangerous individual from the streets.

June 28, 2019 - While on their routine patrol, Sergeant Ramos and Officer Ballew observed an individual who was running away from two police officers traveling eastbound on 5th street. Being that Ramos and Ballew were on bikes, they then offered assistance to LAPD in an effort to cut off the fleeing suspect. Sergeant Ramos and Officer Ballew caught up to the suspect and cornered him off with their bikes on 5th and Los Angeles. Moments later, the two LAPD officers who were chasing the suspect arrived at the location and apprehended the individual. Our staff was later thanked by an LAPD supervisor for their assistance.

ACCOMPLISHMENTS

June 5, 2019 - At approximately 0315 hours, Captain Pacheco and Officer Solorio received a service call from 621 south Broadway pertaining to an individual who was tagging. Upon arrival, Captain Pacheco and Officer Solorio had a hard time locating the individual due to there being no one in sight. However, our officers knew they were at the right place since there was a strong odor of paint at the location. After making contact with the caller, he then stated the individual was up on a sign. Acting very carefully, Captain Pacheco shined the spotlight at the sign and noticed an individual who was attempting to hide. Pacheco and Solorio then proceeded further and convinced the subject to come down. LAPD was notified and cited the individual for vandalism. The following morning, Captain Pacheco got a call from the building's business owner who thanked our officers in catching the graffiti tagger.
