SIGNIFICANT INCIDENTS

August 01, 2020 - At approximately 0330hrs, the owner of 121 W 5th street called our hotline to notify our BID officers about a potential break in. When asked, she stated that the alarm company notified her. Sergeant Ramirez and Officer Sweeney raced to the scene quickly while notifying LAPD. Both units arrived at the location around the same time. LAPD conducted a quick building sweep and deemed every under control. BID officers were then tasked to stand by until the owner arrived. The business owner arrived a few minutes later and was able to secure the broken glass door. The business owner then confirmed that nothing of significant value was taken.

August 09, 2020 - While on patrol, at approximately 1700 hours Sergeant Perchlak was able to spot one of the many protests that would pass that evening on spring street. Sergeant Perchlak was able to place out the emergency call to all BID officers. LAPD was already on scene escorting the protestors through the street. BID officers then set a perimeter throughout spring street in an effort to deter possible riots. As a result, the protestors continued to march peacefully and there was no property damage to report.

August 14, 2020 - Sergeant Ramirez was on his routine patrol when he encountered a couple who was arguing very loudly at 548 S Broadway. Upon arrival, BID officers were able to keep both parties separated until LAPD arrived. LAPD arrived within minutes and spoke to the couple separately. After a few minutes of dialogue, LAPD officers advised us that they will be taking in the woman for an evaluation after showing signs of possible delirium. The woman was transported without incident.

August 17, 2020 - At approximately 0900 hours, Sergeant Ramirez and officer Carmona were on their routine patrol when they noticed a bulk item on the side walk located at 6th and Spring. Upon further evaluation, BID officers then determined the item was a tree branch and that it had recently snapped off from the tree above. Due to it being a heavy branch, Chrysalis was unable to move it. BID officers contacted the city and placed a 311 request in order to remove the item. Within the hour, the city trimmers came by and disposed of the branch in order to clear the walkway.

August 22, 2020 - At around 0415 hours, Sergeant Perchlak was on her routine patrol when she noticed the front window of Fallas Paredes over at 5th and Broadway broken into. LAPD was dispatched and responded within seconds. LAPD conducted a building search with additional units and found no suspects. LAPD took the initial report and notified the building owner as well. Once the business owner arrived the determined there was nothing of significant value taken. BID officers stood by for an additional 30mins until the business was properly boarded up.

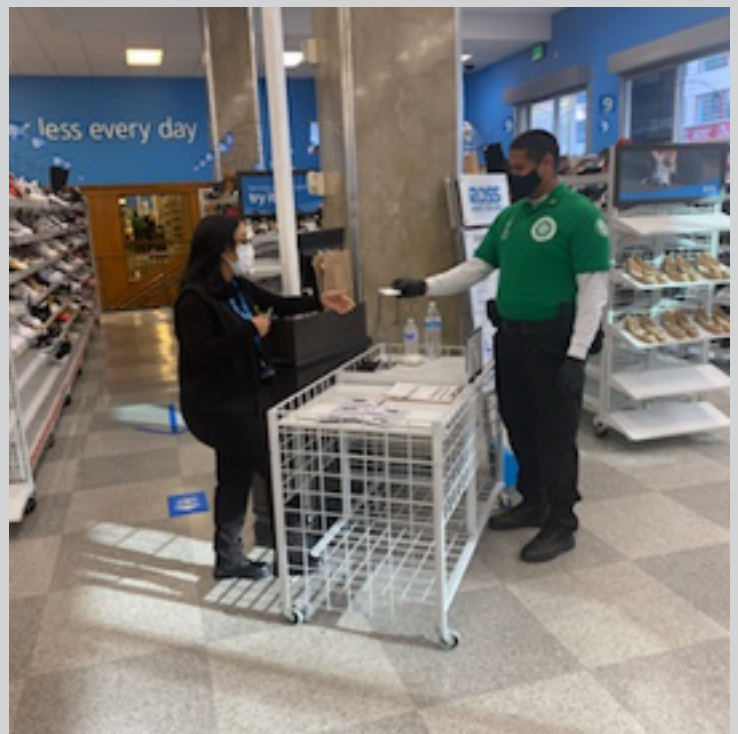

August 27, 2020 - At about 1600 hours, BID officers heard a loud bang around 212 W 5th street. BID officers were posted around the corner during the incident. Upon arrival BID officers noticed a traffic collision involving two vehicles. BID officers then notified LAFD and LAPD for the initial assessment. Luckily no involved parties were injured and all individuals refused medical attention. One of the vehicles was no longer drivable and had to be towed. BID officers stood by until the vehicle was properly towed.
