

Street Report

SAFE AND FRIENDLY | AUGUST 2021

The following data and information is provided to the Historic Core BID for tracking purposes. The information contained in this report is for activities reported in August 2021. The data and information is obtained from Ambassadors conducting patrols and entered in Statview.

BID officers are pictured here conducting a briefing out in the field.

SIGNIFICANT INCIDENTS

August 3rd - The Historic Core BID participated in LAPD's national night out. The event was hosted at spring street park at 1800 hours. Members of the community came out and interacted with LAPD and the BID staff. Street Plus personnel was also present at this event. National night out proved to be a successful event as there were zero incidents to report. The Historic Core BID and Street Plus are very grateful to have a strong partnership with the LAPD.

August 6th- At approximately 0037 hours BID officers located a woman at the corner of 5th and Spring who appeared to be distraught. BID officer Novales made contact with the woman to see what was going on. Upon making contact, the woman stated that she was the victim of a robbery while waiting for the bus. The woman had also suffered a small laceration to the head. BID officers called LAFD and LAPD for further assistance. Paramedics responded first and provided aid to the victim on scene. LAPD arrived shortly after and took down the victim's statement. After further evaluation, paramedics transported the woman to the nearest hospital. LAPD was also able to confirm with BID officers that this was a robbery incident.

August 13th - BID officer Aguilar was on his routine patrol when he noticed heavy LAFD and LAPD activity at 719 S Broadway at about 2100 hours. BID officer Aguilar called in additional units for crowd and traffic control. Once the scene was cleared, LAPD confirmed that a stabbing had taken place in the area. The suspect was still at large, and BID officers were advised to patrol the area with caution. Later that night, the BID was informed the victim scumbled to their injuries at the hospital. The incident was now being ruled as a homicide.

August 14th - BID officers Garcia and Aragon were patrolling their routine beat when they saw LAPD at 609 S Broadway. BID officers waited until LAPD finished their investigation to see what happened. An LAPD sergeant advised both BID officers that a stabbing had taken place and that the victim was in stable condition. At the moment, the incident was being treated as an assault with a deadly weapon. BID officers inquired about the stabbing from the day prior. The LAPD sergeant stated that based on the preliminary findings

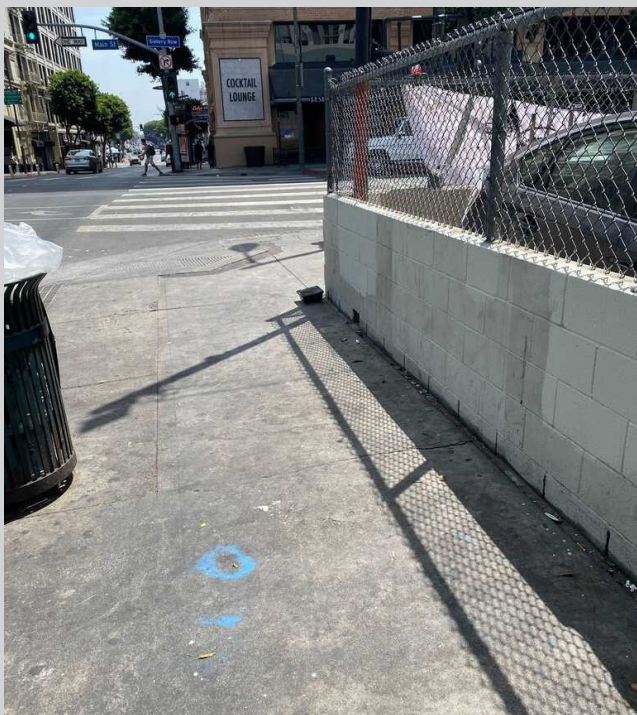

both incidents have no relationship at the moment. Being that this was the second stabbing incident in a row, BID officers were put on high alert for the week.

August 22nd - At about 0250 hours, BID officers Novales and Leon were patrolling on 7th and Spring when they heard a lot of police sirens and saw units traveling northbound. Once it was cleared to proceed, BID officers also made their way to the area to investigate. By the time BID officers arrived and were able to locate the scene, 4th and Spring, LAPD had already roped off the area and was deemed as an active crime scene. BID officers observed shell casings on the ground and determined that a shooting had occurred. LAPD also cleared BID officers from the area moments later once they confirmed that there were no suspects. One victim was hit and transported and was expected to survive.

August 27th - While patrolling the area of 4th and Broadway, at about 0710 hours, BID officers Aguilar and Aragon located a male who was bleeding from his face. When making contact, the victim stated he was punched in the face by an unknown individual. The victim then stated that he was too dazed to react and was not able to provide a detailed description. BID officers contacted LAFD for assistance and notified LAPD as well. LAFD arrived within minutes and treated the victim for minor injuries to his face. LAPD took the report down and advised BID officers to keep a close eye on anyone who appeared to be mentally ill. According to the report, the suspect displayed signs of mental illness before he attacked the victim.

ACCOMPLISHMENTS

August 2021- Towards the end of July, the encampments on 6th and Main began to spread westbound on 6th street towards Harlem alley. The sidewalk space on 6th street is much more reduced than main street and was covered in bulk items. BID officers worked routinely with the maintenance team in an effort to address the bulk items. BID officers also provided outreach resources with some of the occupants on 6th street. After countless efforts and routine checks in the month of August, the BID was able to clean up the 6th street corridor. BID officers will continue to make this area a routine stop to prevent any growth of the main encampments.

6th and main is now cleared out (6th street view).

Meet our second shift crew! The BID safety team can be reached at any time by dialing the hotline.

BID officer Carmona is pictured here passing out a flyer.

BID officer Novales was also out passing out flyers promoting LAPD's new anti BTFV slogan.

Street Plus personnel uses statview software to log in all activity throughout the district.

Stash it, Don't Flash it!

At times, BID officers can also provide outreach services.

BID officers work with all local agencies in an effort to address quality of life issues.

BID officer Garcia is pictured here making contact.

If requested, BID officers can also hand out water bottles to those in need.

BID officers carry first aid kits all the time and can provide basic aid services.

Resident night was a success! We hope to see you all again soon.
