

Street Report

SAFE AND FRIENDLY | SEPTEMBER 2021

The following data and information is provided to the Historic Core BID for tracking purposes. The information contained in this report is for activities reported in September, 2021. The data and information is obtained from Ambassadors conducting patrols and entered in Statview.

Farmers market officially has a security booth now.

SIGNIFICANT INCIDENTS

September 1st- While on patrol, at around 1110 hours, BID officer Carmona noticed heavy graffiti marks on the corner of 6th and Spring. BID officer Carmona notified the clean team for removal of the graffiti marks. The clean team arrived within a few minutes and were able to successfully remove the graffiti markings from the building. Prior to the graffiti removal, BID officer Carmona was able to successfully document the markings and matched it to another area in the district. The night crew was made aware of the incident and was informed of the two locations. No further graffiti markings have been seen in that area since the last report.

September 4th- At approximately 0924 hours, BID officer Garcia was conducting his routine patrol of Winston and Los Angeles Street when he noticed illegal dumping activity occur in his presence. BID officer Garcia then made contact with the individual and attempted to notify her of the violation. Before he could explain any further the individual ran off heading east away from the district. BID officer Garcia then proceeded to look for any marked addresses withing the items that were dumped. To his luck, he found a boxed that was marked with a name and address. BID officer Garcia then complied a report with his findings and submitted to the city for further investigation.

September 12th- BID officers Novales and Aragon were on their routine patrol when they happened to come across a vehicle collision at 6th and Broadway at 0337 hours. LAPD was already on scene along with paramedics. BID officers checked with LAPD officers if they needed any assistance conducting traffic control. LAPD confirmed that everything was under control and that they were currently waiting for a tow truck. BID officers completed a vehicle collision report and were cleared from the scene shortly after.

September 17th- BID officer Garcia was conducting his routine patrol of 4th and Broadway at around 1045 hours when he heard a loud bang. As BID officer Garcia turned around, he noticed the loud bang was due to a vehicle collision that occurred right behind him. The vehicle collision occurred from a small pickup truck and a motorcycle. BID officer Garcia did not hesitate to act and immediately called paramedics and LAPD officers for assistance. From the initial assessment the occupants from the truck had no injuries while the occupant of the motorcycle had mild to moderate injuries. LAPD traffic was first to arrive and took over

the scene. Paramedics arrived a few minutes later and transported the motorcycle driver to the nearest hospital.

September 25th- At around 0910 hours, BID officers Carmona and Garcia received a call for service at 425 S Los Angeles Street regarding an individual who refused to leave the business. Upon arrival, BID officers were able to locate the suspect and attempted to make contact. The suspect was denied service and was extremely hostile towards everyone including BID officers. BID officers continued to provide uniform presence at the location in an effort to achieve a favorable result. After a couple of minutes, the suspect decided to leave on his own and relocated eastbound away from our district. The persistence BID officers had resulted in a favorable outcome.

September 28th- BID officers received a call for service regarding an individual who was not fully clothed at the corner of 4th and Spring at around 1805 hours. BID officer Ballesteros responded to the scene and was able to locate the individual. The individual was extremely cooperative with BID officers and agreed to stand by. BID officers maintain an inventory of clothing items that can be passed out to those who need garments. Luckily for BID officer Ballesteros, he was able to locate a pair of pants that appeared to be the same size of the individual. BID officers met with the individual and provided the pair of pants. The individual kept his pants on left the district traveling northbound on spring street.

ACCOMPLISHMENTS

September 7th, 2021- At approximately 1440 hours, BID officers were responding to a call for service at 220 W 5th street regarding a fight in progress. As BID officers arrived, they were able to verbally diffuse the situation. BID officers remained on scene until both parties departed and the initial report was complete. As BID officers remained at the location, an individual who was wanted by the LAPD passed by right in front of them. BID officers recognized the individual from the wanted flyer and immediately notified detectives. Detectives rushed to the BID officer's location in search of the wanted suspect. By then, the suspect attempted to casually leave the scene. Ultimately, detectives were able to spot the suspect at 5th and Broadway. The suspect was then taken in without incident and was transported for booking. The suspect was wanted on human trafficking charges a few months earlier.

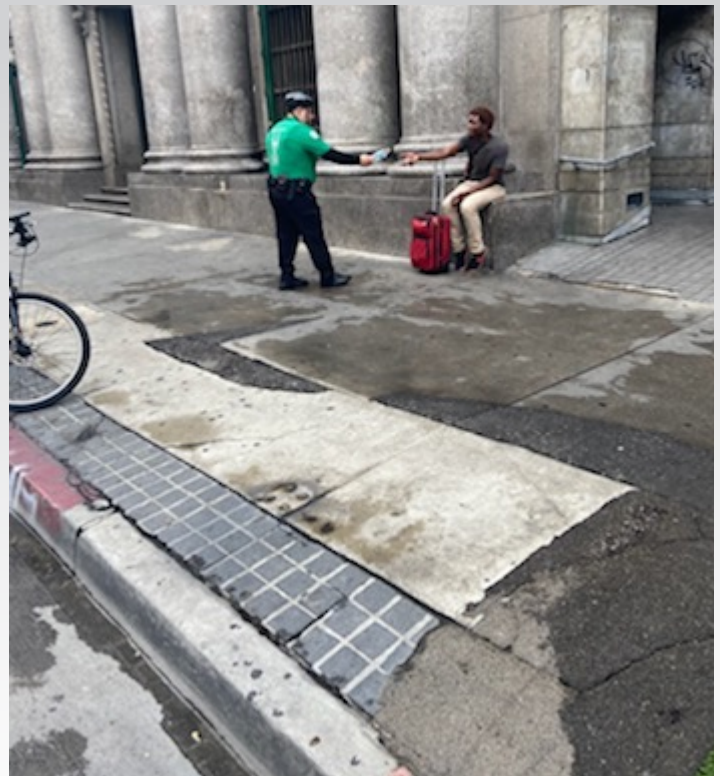

The security booth will be the main hub for officers patrolling the farmers market.

Merchant contact is what officers do best!

BID officers make daily contact with the homeless population in an effort to address quality of life issues.

BID officers also distribute items to those in need.

During hot days, BID officers can be seen distributing water bottles.

Another familiar face in the district!

BID officer Ajaa is seen here providing basic aid.

BID officers are usually first on scene for all incidents and can request additional support from local agencies if needed.

3rd shift officers put out a total of 5 fires during the month of September.

Wellness checks are conducted at all times even if a call was not generated.

BID officer Andrew is seen here conducting a wellness check.

At the end of September, Street Plus was able to hire 5 new ambassadors to the team!
