#### SIGNIFICANT INCIDENTS

**October 1st** - At approximately 1015 hours, BID officer Garcia received a service call regarding two suspicious individuals canvassing the building located on the 400th block of Broadway. Upon arrival, the two individuals were gone from the location. BID officer Garcia proceeded to make contact with the reporting party. The front desk concierge, who placed the call, mentioned that the two individuals who were canvassing the area were the same suspects who burglarized the bike room the week prior. Security cameras captured still pictures of the subjects and were provided to the responding BID officer. BID officer Garcia took down the report and distributed the photos with all BID officers. Since the report was taken, no further incidents have occurred.

**October 2nd** - While on their routine patrol, BID officer Novales and Aragon noticed LAFD and LAPD presence on the corner of 6th and Spring at about 0234 hours. Once they arrived on scene, BID officers noticed LAPD setting up a tent around a body that was covered up. BID officers made contact with LAPD and were able to confirm that the subject was deceased. The cause of death could have most likely occurred from an overdose. BID officers were cleared from the scene once the report was taken. When circling back to the area about 30 minutes later, all agencies were gone including the medical coroner.

**October 8th** - BID officers Ballesteros and Nunez were on their routine patrol when they were flagged down by a merchant on the corner of 7th and Broadway. The concerned merchant advised BID officers that there was an African American male in the area attempting to carry out armed robberies. BID officers contacted LAPD and resumed their patrol cautiously. Throughout the day, more calls were generated regarding the same suspect. This time, the areas that were hit included the Spring and Main Street corridor. Ultimately, the suspect made his way into the Santa Fe Lofts, 6th and Main Street, and took one person hostage. The hostage situation lasted a few hours before SWAT officers went in and disabled the suspect. The suspect was pronounced deceased on scene and the hostage was rescued unharmed. Primary BID officers remained on scene and assisted with the investigation as needed.

**October 10th** - At approximately 0145 hours, BID officers Novales and Aragon were on their routine patrol when they came across broken glass at the Cecil Hotel. BID officers proceeded to make contact with the front desk security. The front desk told BID officers that they were aware of the broken glass and that they were in the process of fixing it. BID officers conducted a quick walkthrough with Cecil security and determined that there was no further damage/threat. BID officers completed their vandalism report and resumed their patrol shortly after.

**October 10th** - At around 0425 hours, BID officers Novales and Aragon noticed heavy smoke coming from the rooftop of the Joe's parking lot located within the 500th block of Spring Street. LAFD and LAPD were already present and extinguishing the last of the flames. When making contact with LAPD, they were able to confirm that the fire was intentionally set by an unknown arsonist. That same morning, an individual spotted an LAPD officer and admitted to setting the fires on the Joe's rooftop. The suspect was immediately taken in without incident and booked on Arson charges.

**October 22nd** - At approximately 0017 hours, BID officers received a service call regarding a transient male, who was trespassing at the Planet Fitness. Upon arrival, BID officers attempted to make contact but were unsuccessful due to the individual being irate. BID officers placed a service call to LAPD requesting for assistance. Two LAPD officers showed up within a few minutes and also attempted to make contact with the individual. The individual became irate with the responding officers as well. LAPD immediately took the subject into custody for trespassing and resisting arrest. BID officers assisted LAPD in making the detainment since the suspect became very hostile.

#### ACCOMPLISHMENTS

**October 16th, 2021** - The breast cancer awareness march took place in the early hours of the day and crossed over a significant portion of the district. From 4th and Broadway, up to 9th and Broadway, officers remained vigilant and accompanied the demonstrators past the historic core district. It was a safe and quiet event as the march quickly passed through the Broadway corridor. BID and LAPD officers followed the march nearby assuring the safety of all participants. There were no incidents to report that day as the demonstrators peacefully passed through in support of breast cancer awareness month.
