Dear Property Owner,

Since 1998, the Historic Core Business Improvement District (HCBID) has provided clean and safe services, supported local businesses, and encouraged the ongoing development of our neighborhood.

Now, it is time for our BID to go through the renewal process. Renewal gives property owners in the district the opportunity to vote on whether they want to continue to fund the services provided by the BID for another five (5) years.

*Renewal happens in two phases.*

1) You are receiving a petition (enclosed, see the neon yellow page) to complete and return that will allow for the BID renewal to go to a vote-by-mail election. The pastel green page has instructions to help you complete the petition.

2) Once petitions are received and tabulated by the City, the ballots will be mailed to you.

Only people listed on the property title are eligible to sign petitions and ballots.

Please stay tuned for updates, and feel free to contact me with any questions at [blair@historicc core.com](mailto:blair@historicc core.com) or (213) 488-1901.

Sincerely,

Blair Besten  
Executive Director  
Historic Core Business Improvement District
