An abstract geometric design on the left side of the slide. A diagonal line runs from the top-left corner towards the bottom-right. The area to the left of this line is divided into several sections: a dark purple triangle at the top-left containing a white circle; a section with concentric blue circles; a section with a light grey semi-circle; a section with pink diagonal lines; a section with a pink-to-magenta gradient and a pattern of white lines; a section with a grey-to-purple gradient; and a solid magenta triangle at the bottom-left. The rest of the slide is a solid dark blue background.

THANK YOU
